<p>The product meets the applicable EU food law. The products are properly declared and processed so that the respective predetermined expiration dates are definitely guaranteed. The used additives are GRAS "Generally Recognized as Safe". Traceability is implemented. We guarantee that this product only contains the declared ingredients. Despite accurately cleaning and working, an unpreventable process-related cross-contamination can't be eliminated completely. In the context of our quality management system there are provisions and briefings concerning the preventative of cross-contamination. Cross- contaminants may be: milk & dairy products, cereals containing gluten, eggs & egg products, peanuts & peanut products, soybeans & soybean products, tree nuts and sulfites & sulfur dioxide.</p>
